Dear Hiring Manager,

I am interested in applying for the on-the-job training position at zaneCoder. Specifically, I am drawn to zaneCoder because of its reputation as an innovator in building business solutions and driving innovation in the tech industry. As an Information Technology student at Cebu Technological University, I specialize in full-stack development and have a passion for creating efficient and user-friendly web applications.

My experience with React, TypeScript, PHP, Django, Node.js, Firebase, MySQL, and MongoDB, and the use of tools like Git and GitHub, has strengthened my collaboration and software development best practices. I am a quick learner and highly motivated to contribute to dynamic teams and impactful projects.

I would love to apply my skills and enthusiasm to zaneCoder's innovative projects. Thanks for considering my application. I look forward to the opportunity to discuss my potential contributions to your team.

Sincerely,

Hans Archer Dalubatan
